Patient Financial Responsibility

Star Clinic Urogynecology accept cash, Visa, Master Card, Discover and American Express as forms of payment. We DO NOT accept personal checks. Please remember that it is the patient's responsibility to find what their insurance benefits are and if referral is required to see any of our providers. If you have concerns regarding your insurance coverage, please call the number on the back of your insurance card for a full explanation of coverage. Our financial policy is as follows:

Insurance Co-Payments: Must be paid at the time services are rendered.

Deductibles/Co-Insurance: If your deductible has not been met, full payment of the deductible will be required at the time of service along with any applicable co-insurance.

Private Pay/Non-Contracted Insurance Companies: If you do not have insurance coverage or have coverage with insurance we are not contracted with, you will be responsible for payment in full at time services are rendered.

Collection Policy: If your account is placed with a collection agency, all future visits will require payment in full at the time of service. You will be held fully accountable for any collection agency fees and/or attorney fees that are acquired in the recovery of the debt.

Laboratory Services: Laboratory services will be billed by the lab to which were sent. We bill your insurance for specimen collection only. You may receive a bill from the lab for any uncovered services, co-insurance or deductible that may be due. Not all laboratories tests are covered by the insurance company. It is patient's responsibility to see if a test is covered or not.

It is very important to stay well informed about your insurance coverage. If you have new insurance, it is your responsibility to provide us with an updated card. You will be held responsible for the total amount of any unpaid claims/denials for incorrect insurance information.
